## Achievements through Korean ODA

2.

Other great achievements with

# The way forward

1.

Government scholarships more oriented towards science and technology fields.

2.

Further involve Senegalese companies in the implementation of ODA projects in order to benefit from skills and technology transfer.

3.

Explore possibilities for the Senegalese workforce to access to the Korean labor market.

4.

Seize the opportunity of the 60th anniversary of the diplomatic relations between Senegal and Korea to monitor and revitalize the cooperation.

5.

Plan a joint Commission meeting between Senegal and Korea to further discuss the cooperation issues.

Thank you for your kind  
attention !
